Dear Sandeep,

The UNESCO Mahatma Gandhi Institute of Education for Peace and Sustainable Development (MGIEP) would like you to thank you for your enthusiastic participation at the **2nd World Youth Conference on Kindness** held on 24 and 25 October 2020 commemorating the **75th Anniversary of the United Nations**.

The Conference featured power packed youth keynote speakers, active panel discussions, and diverse global musical interludes and was viewed by over 60,000 people from over 150 countries.

The Declaration to create the new UN International Day of Kindness-an outcome of this conference and spearheaded by India and Bangladesh- will be presented at the UNESCO Executive Board Meeting in April 2021 and for final approval at the UNESCO General Conference in November 2021.

We hope to reach 1 million acts of kindness by April 2021 to showcase the action oriented transformational capability of young people to make the world a happier and kinder place. BE SAFE BE KIND

Best Regards,

Dr Anantha DURAIAPPAH
Director
